

1853 Mormon Immigrants Who Camped in Keokuk

Material for this list was extracted from the Mormon Immigration Index CD, published by The Church of Jesus Christ of Latter-day Saints. It includes the passenger lists for the eight ships that brought Saints to America via New Orleans in 1853. It is assumed that most of these people continued upriver and camped in Keokuk while they outfitted for continuing on their westward trek.

Ann Atterberg alphabetized the names from the eight voyages. Possible family groups are shown. In the case of stepchildren with different surnames, they are listed elsewhere alphabetically. Some of the women shown as widows may, in fact, have had a spouse travel on an earlier or later ship.

The eight ships included in this listing, showing departure dates from Liverpool and arrival dates in New Orleans, are the following:

- FM *Forest Monarch*, departed 16 Jan 1853—arrived 16 Mar 1853
- EM *Ellen Maria*, departed 17 Jan 1853—arrived 6 Mar 1853
- GO *Golconda*, departed 17 Jan 1853—arrived 26 Mar 1853
- JE *Jersey*, departed 5 Feb 1853—arrived 22 Mar 1853
- EO *Elwira Owen*, departed 15 Feb 1853—arrived 31 Mar 1853
- IN *International*, departed 18 Feb 1853—arrived 25 Apr 1853
- FA *Falcon*, departed 28 Mar 1853—arrived 18 May 1853
- CA *Camillus*, departed 6 Apr 1853—arrived 7 Jun 1853
